

BEFORE LEAVING THE HUT ENSURE THE FOLLOWING TASKS ARE COMPLETED

- Clean Table Tops
- Sweep/Hoover Floor
- Empty Ash From Stove
- Ensure There Are Full Water Containers (empty and refill with fresh if possible)
- Ensure The Firewood Inside The Hut Is Well Stocked (you never know it might be you that arrives to the hut in the dark and in the middle of a storm)
- Close/Lock All Window and Close Curtains
- Place Seat Cushions In The Bunks
- Divert The Water By Opening The Valve At The Junction About 20Mtr From The Back Door
- Turn The Electricity Off At The Fuse Box **Except For the Battery Charger!!!**
- Unplug Everything, Make Sure Heaters Are Unplugged in Shower, Drying Room And In The Hut
- Ensure The Emergency Entrance Is Clear Of Any Heavy Mattresses
- **The Small CTEC Charger and Battery Are Left On Charge 365 Days A Year**
- Lock All Doors And Have A Safe Trip Down The Mountain
